7 Background and Introduction

7.1 As a Borough Council, High Peak Borough Council is responsible for the billing and collection of all Council Tax due from local taxpayers. This means that the Council has to collect Council Tax to cover not only its own services but also the precepts set by other authorities. The Council Tax levied is therefore made up of five elements:

- High Peak Borough Council element
- Parish precepts
- Derbyshire County Council precept
- Police & Crime Commissioner for Derbyshire precept
- Derbyshire Fire & Rescue Service precept

7.2 The setting of the Council Tax follows a prescribed timetable. The process commences with the setting of the tax base in November, and ends with the formal setting of the Council Tax, which has to be completed by no later than 11th March.

7.3 The procedure has to adhere to the requirements of the Local Government Finance Act 1992 (as amended by the Localism Act 2011) and the level of council tax is directly related to the net expenditure of the Council after deducting income from central government grant and other sources of income. Council resolutions also have to adhere to the requirements of legislation and recommendations are therefore written in formal language.

8 Council Tax Base & Collection Fund Surplus

8.1 The Council Tax base for the year 2023/24 is 31,390. A breakdown of the calculation by parish can be seen in column 1 of Appendix A.

8.2 After taking into account previous re-distributions, the Collection Fund for Council Tax is predicted to have a surplus at 31st March 2023 of £696,990. The surplus is shared amongst the major precepting authorities i.e. Derbyshire County Council, Police & Crime Commissioner for Derbyshire, Derbyshire Fire & Rescue Service and this Council. The redistribution is made in proportion to the level of each authority's precept for the year. This Council's share of the surplus is £80,560.

9 High Peak Borough Council Tax

9.1 On 9th February 2023, the Executive recommended a Borough Council Tax increase of £5.96 (2.90%). This involved setting a General Fund Budget of £12,493,080.

9.2 The amount of council tax that the Borough Council is to levy is:

	TOTAL
	£
Total Budget	12,493,080
Plus contribution to Balances / Reserves	1,032,940
Less Council Tax Collection Fund Surplus (HPBC Share)	(80,560)
Less Business Rates Collection Fund Surplus (HPBC Share)	(531,920)
Net Expenditure to be financed	12,913,540
Less Business Rates Retention	(5,264,130)
Less External Financing	(1,014,820)
Total Requirement from Borough Council Tax	6,634,590

9.3 The Band D Council Tax is therefore £211.36 (The total requirement from Borough Council Tax divided by the tax base of 31,390). This represents an increase of £5.96 (2.90%) on last year.

10 Parish Council Precepts

10.1 Each parish has notified the Council with its precept requirement for the year. The total required by parishes is £791,913.28, which produces an average Band D Council Tax of £25.23. The actual amount levied will vary from parish to parish. A detailed breakdown of the precept requirements and the band D charge for each parish can be seen in columns 2 and 3 of Appendix A.

11 Derbyshire County Council Precepts

11.1 The precept demand issued by Derbyshire County Council is £46,393,792 which produces a Band D council tax of £1,477.98. This represents an increase of £53.42 (3.75%) when compared to the level of tax levied in 2022/23. This increase includes £17.81 (1.25%) attributable to the Adult Social Care Precept and £35.61 (2.50%) which is not attributable to the Adult Social Care Precept.

12 Office of the Police & Crime Commissioner for Derbyshire Precept

12.1 The precept demand issued by Police & Crime Commissioner for Derbyshire is £8,368,574 which produces a Band D council tax of £266.60. This represents an increase of £15.00 (5.96%) when compared to the level of tax levied in 2022/23.

13 Derbyshire Fire and Rescue Service Precept

- 13.1 The Derbyshire Fire and Rescue Service precept demand is £2,694,518 which produces a Band D council tax of £85.84. This represents an increase of £5.00 (6.19%) when compared with the level of precept for 2022/23.
