## **Planning Applications Committee - 12 August 2021**

*(All Councillors and Mr. B Haywood had declared "other" interests. Mr B Haywood remained out of the room and took no part in the matter).*

RECEIVED – Representations from the undermentioned speakers:-

### **Against the application:**

Cllr. Stephen Wales	-	Leek Town Cllr.
Mr. Paul Bray	-	Objector
Mr. Jim Wilshaw	-	Objector
Cllr. Mike Worthington	-	County Cllr.

**NOTED -** 1. LRR contained: a) Trees & Woodlands Officer's comments, conditions and informatives, b) Agent's further submissions, and c) 7 further letters of objection;

2. Legal advisor confirmed that as the principle of a two storey dwelling was sought with 'Scale' reserved for subsequent approval it was not appropriate to impose a condition restricting height to single storey only as this would change the nature of the development for which permission was sought;

3. Officer clarified that the rear single storey extension located at neighbouring Croxteth was approved as a conservatory in 2001. The indicative layout as shown on the plans met all 'space about dwellings' standards.

**RESOLVED** – That, contrary to officer recommendation, the application be **REFUSED** for the reasons and based on the policies stated below:-

### **Reasons / Policies:**

- The subdivision of the site to provide an additional dwelling would result in overdevelopment of the site. The plot size was insufficient for the size of dwelling indicated (or indeed one which would look in keeping with the area which is characterised by sizeable dwellings) and consequently it would appear cramped and would have an overbearing impact on the amenity of Croxteth. It would lead to harm to the character and appearance of the area and also harm to the residential amenities of the adjacent residential property, Croxteth;
- Policies SS1, H1 and DC1

**FURTHER RESOLVED** - In the event of any changes being needed to the wording of the Committee's decision (such as to delete, vary or add conditions / informatives / planning obligations or reasons for approval / refusal), prior to the decision being issued the Principal Planning Officer had delegated authority to do so in consultation with the Chairman of the Planning Applications Committee, provided that the changes did not exceed the substantive nature of the Committee's decision.
