**23/23 REQUEST FOR ADDITIONAL CAPITAL FUNDS TOWARDS THE
SIMMONDLEY PLAY AREA REFURBISHMENT PROJECT**

REASONS FOR RECOMMENDATION

To seek approval to allocate further capital funds towards the Simmondley Play Area refurbishment project to enhance accessibility and the safety surfacing at the site.

ALTERNATIVES CONSIDERED:

The Council has two options available to it:

1. To provide funding of £30,000 from the Council's capital funds in support of ensuring that this new play facility can be used by all members of the community (Recommended).
2. To do nothing – This will mean that the new play facility may exclude those who are less able and those using wheelchairs or pushchairs (Not recommended).

RESOLVED:

That the allocation of £30,000 from the Council's capital funds to enhance accessibility and the safety surfacing at the site be approved.
