HPBC DEVELOPMENT CONTROL COMMITTEE

UPDATES SHEET

HPK/2019/0097 – Rockhead Spring Pump Building, Bakewell Road, Buxton

Officers were awaiting further comments from Natural England in respect of the additional information provided by the developer in respect of their Assessment of Likely Significant effects (ALSE). Unfortunately Natural England have been unable to provide further comments for the purposes of the report and consideration by the Committee.

By law the local planning authority cannot deal with the application without knowing what the outcome of this initial assessment is and whether a further assessment known as an appropriate assessment is required. Officers must therefore recommend that this application be deferred until such as time as Natural England are able to give the Council their view.
