## **7 Background & Introduction**

- 7.1 The new 4-year Corporate Plan (2019-2023) was adopted at Full Council on 15th October 2019 and sets out the high level aims and objectives for the Borough; together with the priority actions to be undertaken over the life of the plan.
- 7.2 The adoption of a new Corporate Plan necessitates the realigning of the council's performance framework to these new aims and objectives, in order for progress to be effectively monitored and reported to management, councillors and wider stakeholders.

## **8 Development of a New Performance Framework**

- 8.1 The development of a new performance framework is being carried out in the following stages:
- Gap analysis – identifying new areas of priority that will require value for money performance measures developing (complete)
  - Identification of new measures following the gap analysis (draft complete, see Appendix 2)
  - Development of Service Plans across all teams, aligned to the Corporate Plan, to enable planned, scheduled and resourced delivery of the Corporate Plan down to individual PEP targets (Dec 2019)
  - Performance Sub-Committee to meet and scrutinise the draft Performance Framework for 2019-2023 (late Jan 2020). Followed by scrutiny at Corporate Select (Feb 2020)
  - Relaunch of a new performance framework for 2019-2023 with a suite of fully aligned performance measures (March / April 2020)
- 8.2 As noted in the list above, work has already commenced on developing a new performance framework and the initial outputs in terms of suggested performance measures are detailed in Appendix 2. These only focus on the identified gaps at this stage and more work will take place through the service planning process. Members will be given the opportunity to scrutinise all targets in the New Year, through the usual sub-committee approach, prior to February's Corporate Select.

## **9 Communication and Engagement**

- 9.1 The second strand of this report relates to the proposed process for communicating and engaging with a variety of internal and external stakeholders on the council's priorities as set out in the 2019-2023 Corporate Plan.
- 9.2 In developing the communication and engagement plan, the statutory annual budget consultation has been considered and a joint approach has been agreed in order to streamline and co-ordinate these activities.

9.3 The plan, which is attached at Appendix 1, will enable the council to communicate its spending priorities and to seek feedback on its aims and objectives from a variety of interested groups from employees, to partners, residents and businesses. The results will be available to feed back to members alongside the new performance framework in February 2020.
