Re-Tree (Lees Hall Quarry) Order 2019 No 288.

I am writing to object to this order on the following grounds:-

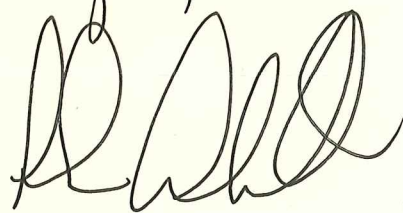

- ① There is already an existing order on the same area which protects the older, high amenity value trees.
- ② The woodland is not under threat of removal. I would need a felling licence to remove more than a few of the younger trees.
- ③ The majority of the younger trees were planted by ~~the~~ the previous owner and were overplanted and require thinning.
- ④ ~~The~~ A new TPO would be restrictive, preventing the normal management of the woodland.
PTO.

Peter Duckworth, B.Sc.

I have no objection to a 6 month moratorium on tree work whilst I make the planning application requested by the planning department.

Yours faithfully
