73 NOTICES OF MOTION IN ACCORDANCE WITH PROCEDURE RULE NO. 8.

73a SOCIAL HOUSING - CLLR B. CAWLEY

“February 2021 sees the 100th anniversary of the opening of the first social housing in the area with the Abbots Rd development in Leek. This was a consequence of the 1919 Housing Act born out of the pledge to provide “Homes Fit for Heroes” for veterans returning from the First World War. The act allowed local authorities for the first time to comprehensively provide social housing.

Since then the failure of successive policies including the “selling off “ of council housing has led to reduction in supply of affordable housing which is having a detrimental effect on those on low incomes particularly impacting on those in rural areas.

Many of those effected will be modern day heroes working in health and social care, cleaning, retail, distribution and transport, etc who have worked through the pandemic servicing the needs of the communities of the Staffordshire Moorlands .

The need for affordable housing was recognised by the Local Plan endorsed without dissent by the Full Council in September 2020.

This motion calls upon Staffs Moorlands District Council to examine the business case for local authority owned social housing when considering future developments.”

A named vote having being called, voting was as follows:

Those voting **FOR**:

Councillors Atkins, Bentley, Brady, Cawley, Coleman, Gledhill, Hawkins, Hoptroff, Jackson, Page, Price, Redfern, Salt, Swindlehurst, Taylor and Yates **(16)**

Those voting **AGAINST**:

Councillors Aberley, Bond, Bowen, Davies, Deaville, Emery, Fallows, Flunder, Hall, Heath, Herdman, Holmes, Hughes, Lawson, Lea, Plimley, Porter, Ralphs, Riley, Roberts, Scalise, Shaw, Wain, Ward and Worthington. **(25)**

ABSTENTIONS:

Councillors Johnson, Jones, Malyon, Martin, Plant, Routledge, Sheldon, Wilkinson. **(8)**

Therefore, the **PROPOSAL** was declared **LOST**.

73b **USE OF NEONICOTINOID PESTICIDES - CLLR J. SALT**

“SMDC declared a Climate Emergency in 2019, it recognises the vital importance of insects and pollinators and wishes to enhance biodiversity. This Council believes the decision by this Government to overturn the ban on neonicotinoids flies in the face of our effort to protect our fragile ecosystem and this Council urges our Government to reconsider.”

As an **AMENDMENT** it was **PROPOSED** and **SECONDED** that British farmers are acknowledged as responsible and caring custodians of our land. They care deeply about nature and the environment, but they need our ongoing support so that they can continue to use and develop more sustainable farming practices. At the present time, scientific research needs to assist the beet industry to find alternative long-term solutions to the danger posed to sugar beet crop from Beet yellows virus, and we would ask Government to look to invest more resources into finding viable alternatives to pesticides such as neonicotinoids, to ensure that farming and nature can work safely alongside each other.

Following debate a **FURTHER AMENDMENT** was **PROPOSED** and **SECONDED** that the Council asks government to find alternatives to neonicotinoids and that the Council only supports their use for the next 120 days.

On being put to the vote, the **FURTHER AMENDMENT** as set out above was declared **CARRIED**.

74 **TO ANSWER QUESTIONS ASKED UNDER PROCEDURE RULE NO. 10, IF ANY.**

1. Question to the Leader of the Council received from Councillor C. Atkins:

“What actions has the chair of the SMDC Health Scrutiny Committee taken since she accepted responsibility for scrutinising the withdrawal of all services at the Minor Injuries Unit of Leek Moorlands Hospital from the County Council's Healthy Staffordshire Select Committee?”

Response:

“Following the agreement that the District Council would scrutinise the temporary closure of Leek Minor Injuries Unit (MIU) representatives of the Moorlands Partnership Foundation Trust (MPFT) attended the meeting of the Panel held on 22 December 2020. Councillors had an opportunity to highlight the problems encountered relating to the temporary closure of the MIU. This included the need to travel outside of the District to the Haywood Hospital to access alternative facilities, experiences of individual constituents and fears that the temporary closure would lead to a permanent closure of the Unit. The Trust assured the Panel that the closure was temporary and the decision was taken in order to ensure the safety of services provided and consolidate limited resources available at the Haywood Hospital.

Following the Panel meeting the Council has written to the MPFT asking it to provide an update for the re-opening of the MIU together with the criteria that need to be met to enable the re-opening. The Trust has replied and explained that in order to release the staff required to re-open the MIU this will be dependent on the de-escalation of all additional bed capacity and the re-introduction of minor injuries at Royal Stoke Hospital.

The Chief Executive of the MPFT, Neil Carr, and the Accountable Officer of the North Staffordshire Clinical Commissioning Group, Marcus Warnes, have also accepted requests to attend the next meeting of the Health Overview and Scrutiny Panel (3 March 2021 – 2.00 pm) to provide a further update and enable councillors to scrutinise the temporary closure of the unit further.”

In response to supplementary questions the Leader of the Council stated that she speaks with Neil Carr and Marcus Warnes on a weekly basis and that an opportunity for questions to be answered would arise at the next meeting of the Health Overview and Scrutiny Panel at which the senior management of the MPFT and CCG would be present. The Leader of the Council also stated that she would take part in campaigns with Councillor Atkins for the re-opening of the minor injuries unit.

2. Question to the Deputy Leader and Portfolio Holder for Leisure and Sports received from Councillor G. Bentley:

“What is SMDC’s involvement in the acquisition of the Cheadle disused railway track in Cheadle, to Cresswell and what is the outcome?”

Response:

“The freehold of the disused railway line from Cresswell to Cheadle is owned by the Department For Transport who has leased the land to Moorland and City Railways. It is understood that there is 7 years remaining on the lease. Enquires are being made and are ongoing with both the freeholder and tenant on whether the land would be for sale in the future and if so under what conditions. Officers are to prepare a Cabinet Report that will set out a direction of travel to deliver the community aspiration for the disused railway line to be a public footpath. The report will need to establish the key legal, financial and operational issues, together with the potential costs for overcoming them.”

In response to supplementary questions the Portfolio Holder for Leisure and Sports stated that the Department for Highways is keen to talk to the local authority to further develop the disused railway track and that following a meeting the previous

day and the agreement of objectives contact would be made, if not already, with the Department of Transport, the local MP, members of the local community and Draycott, Checkley and Cheadle councils. A timeframe would be provided when known.

75 **EXCLUSION OF THE PRESS AND PUBLIC:**

RESOLVED:
