7. Background and Introduction

- 7.1 Local authorities are required, in accordance with Sections 38 to 40 of the Localism Act 2011 to prepare a Pay Policy Statement for each financial year. In preparing this statement there is a requirement to have regard to the guidance issued by the Secretary of State under Section 40 of the Localism Act.
- 7.2 The Pay Policy must be approved by a resolution of full Council by the end of March each year. Councils must publish the statement in such a manner as it thinks fit, which must include publication on the website.
- 7.3 The statutory guidance confirms that nothing contained within the provisions in the Act or guidance is intended to supersede existing responsibilities and duties placed on authorities in their role as employers under relevant employment legislation, and authorities are required to bear in mind these responsibilities and duties when formulating their Pay Policy statement.
- 7.4 It is the expectation that any discussion in respect of Pay Policy Statements should take place in meetings which are open to the public, in particular, discussions should not engage the General Data Protection Regulations as the policy does not concern data relating to a particular individual but rather the Authorities' policies towards a range of issues relating to the pay of its workforce, particularly its senior staff and its lowest paid employees.

8. Required Content of the Statement

- 8.1 Section 38 of the Localism Act 2011 requires local authorities to set out its policies for the coming financial year relating to:
- a) The remuneration of its chief officers;
 - b) The remuneration of its lowest paid employees; and
 - c) The relationship between the remuneration of its chief officers and the remuneration of its employees who are not chief officers.
- 8.2 The statement must also include the Council's policies relating to:
- a) The level and elements of remuneration for each chief officer;
 - b) Remuneration of chief officers on recruitment;
 - c) Increases in addition to remuneration for each chief officer;
 - d) The use of performance related pay for chief officers;
 - e) The use of bonuses for chief officers;
 - f) The approach to the payments of chief officers on their ceasing to hold office or to be employed by the Authorities; and
 - g) The publication of and access to information relating to the remuneration of chief officers.

- 8.3 The definition of a chief officer is not limited to the Head of Paid Service or statutory chief officers (i.e. Section 151 Officer and Monitoring Officer). It also includes those officers who report directly to them as a non-statutory and deputy chief officers. This definition, therefore, covers the Councils' Chief Executive, Executive Directors and Heads of Service and the relevant policies relating to their remuneration, as previously agreed by Council, are included within the attached Pay Policy Statement.

9. Pay Policy Statement

- 9.1 The proposed Pay Policy Statement attached at **Appendix A** seeks to comply with the statutory requirements and confirms the agreed policies of the Councils' and is recommended for approval on this basis.

10. Strategic Alliance

- 10.1 It should be noted that the workforce is shared between High Peak Borough Council and Staffordshire Moorlands District Council. The pay costs identified in this statement are the overall levels of remuneration received by the individual employees, the costs of which are shared between the two authorities.
