Information in support of your application:

(This should include details of any relevant skills, experience or personal qualities and should be linked to the Person Specification and the Role and Responsibilities if possible)

I have chaired the Economy and Growth Committee for the past 3 years and have enjoyed my role, during this time I have worked on the Future High Street Fund, The Heritage Action Zone and the COVID recovery plan. I have adapted and enjoyed to online and hybrid meeting and feel this is the future of Local Government as it will save money and the environmental cost of traveling to meeting. I would like to continue as Chair to see through the Future High Street Fund with The Chair of Corporate Select Tony Ashton and the Covid19 recovery plan where I feel events such as the Victorian weekend I worked on is the way to support high st recovery as it brings people into the High Peak and it also showcases the high st as it was held in the heart of the town. I am also working with the officers and the other Select Chairs to improve the way scrutiny is carried out in the High Peak and have member led scrutiny with members deciding on what need to be scrutinised rather than it being officer or executive member led.
