Investment Priority: People and Skills

Objectives

Boosting core skills and support adults to progress in work, by targeting adults with no or low level qualifications and skills in maths, and upskill the working population, yielding personal and societal economic impact, and by encouraging innovative approaches to reducing adult learning barriers (Scotland, Wales and Northern Ireland only. In England, this is delivered through the Department for Education's Multiply programme).

Reducing levels of economic inactivity through investment in bespoke intensive life and employment support tailored to local need. Investment should facilitate the join-up of mainstream provision and local services within an area for participants, through the use of one-to-one keyworker support, improving employment outcomes for specific cohorts who face labour market barriers.

Supporting people furthest from the labour market to overcome barriers to work by providing cohesive, locally tailored support including access to basic skills.

Supporting local areas to fund gaps in local skills provision to support people to progress in work, and supplement local adult skills provision e.g. by providing additional volumes; delivering provision through wider range of routes or enabling more intensive/innovative provision, both qualification based and non-qualification based. This should be supplementary to provision available through national employment and skills programmes.

Nation specific interventions

For example: 'Employment support for economically inactive people'

Outputs

For example: 'Number of people supported to engage in job-searching'

Outcomes

For example: 'Number of people in employment, including self-employment, following support'
