Key:		Class	
Risk		Regulatory	To ensure the integrity of internal controls and/or compliance with Regulations / Policies and Procedures.
High	Significant control weakness / inefficiency exists with a high likelihood of occurring, potentially causing a breach of legislation / legal requirements and/or a substantial loss or damage to Council assets, information and reputation. Considered essential to implement recommendation promptly.	Added Value	Intended as an enhancement to the existing system which may provide a benefit to either the user or the customer.
Medium	Control weakness / inefficiency exists with a moderate likelihood of occurring, potentially causing a breach of organisational policies and procedures, loss or damage to Council assets, information and reputation. Considered essential to implement recommendation to ensure adequate system controls / necessary improvement in service provision.		
Low	Minor control weakness / inefficiency exists with a minimal impact on the Council assets, information and reputation. Considered necessary to implement recommendation to provide management with additional assurance regarding the adequacy of system controls / improvement in service provision.
