## 6.8 Risk Assessment

There are a number of inherent financial risks associated with Treasury Management activity, not least the potential for loss of interest and/ or deposits. For this reason, the Council engages the services of external Treasury Management advisors, Link Asset Services ('Link').

Investment and borrowing decisions are made in accordance with the Council's formally adopted Treasury Management Strategy. That Strategy includes a number of risk management features such as the overriding priority that security of deposit takes precedence over return on investment.
