

## ECONOMY AND GROWTH SELECT COMMITTEE

**Meeting: Thursday, 7 March 2024 at 6.30 pm in a Virtual Meeting**

Present: Councillor E Siddall (Chair)

Councillors N Clarke, S Evans, P Hacking, I Huddlestone, K Kirkham, C Payne, R Quinn, P Roberts, G Scott and K Sizeland

In Attendance: Councillor(s) A Barrow, G Claff, D Greenhalgh, L Grooby, M Hall, B Hastings-Asatourian, A McKeown and J Todd

**24/43 TO RECEIVE DISCLOSURES OF INTEREST ON ANY MATTERS BEFORE THE COMMITTEE**  
(Agenda Item 2)

There were no disclosures made

**24/44 ANY MATTERS REFERRED TO THE COMMITTEE UNDER THE CALL-IN PROCEDURE**  
(Agenda Item 3)

None

**24/45 TO APPROVE THE MINUTES OF THE PREVIOUS MEETING**  
(Agenda Item 4)

RESOLVED:

That the minutes of the meeting held on 18 January 2024 be approved, subject to the amendment of minute 24/38, "Tourism Strategy Implementation", to record concerns regarding low pay in the tourism industry.

**24/46 SELECT COMMITTEE WORK PROGRAMME**  
(Agenda Item 5)

Members were reminded that a Scrutiny Workshop would be held on 21 March which would provide an opportunity for members to consider items for the future work programme, all of which would be subject to the PAPER analysis.

It was requested that Committee Chairs discuss the start time for meetings with a view to the start times being synchronised to have one set time.

RESOLVED:

That the start time for meetings be referred to the Select Committee Programming Group.

**24/47**      **GROWTH STRATEGY**  
(Agenda Item 6)

The Head of Regeneration made a presentation to the Committee around the Growth Strategy. It was noted that a review of the Growth Plan was a priority within the High Peak Borough Plan.

The national and international context for the development of the strategy was set out, which included changes to the global and national economic context, the outcome of the 2021 census in terms of changes to the population and economic activity and the business landscape, including county and national comparisons.

Members were asked to consider what themes should be included or considered as part of a Growth Strategy and information was provided around what is a growth strategy, facts and actions to support thriving businesses, people and places together with key priorities for the Growth Strategy.

The following matters were discussed:

- Figures for the number of residents commuting out of the High Peak to the Sheffield area were requested to give a complete picture
- Knowledge economy – this does include the University of Derby which is already based in the area, but there is a need to look at whether specific businesses or other providers have expanded. It was commented that the University of Derby were withdrawing from the area which needed to be examined. This area also included technological and scientific innovation as well as media, which is important in terms of links to Greater Manchester.
- Tourism and comparison to similar areas – work was on-going to identify other areas with a similar degree of rurality to benchmark with, and given the tourism issues in the area, comparisons could also be made with more coastal areas. Work would be undertaken with the LGA to identify suitable areas for comparison. Concerns were expressed regarding the push on tourism and that the area is developing characteristics of areas that depend of tourism (low wages, outward migration) so need to compare with similar tourism economies and look at impacts.
- Relationship between lower salaries in High Peak and proportion of tourism jobs – statistics will exist around what different sectors the main jobs are in but sectors like hospitality and tourism are generally low paid and zero hours contracts which will have an impact on employment
- Lack of employment land for building so businesses have to move out of the area which impacts on jobs available locally. The contrary view was also expressed in that there needs to be a balance between employment land and retaining the attractiveness of an area. The

lack of infrastructure (roads, broadband) could also be a disincentive for businesses.

- Differences in age range in towns within the borough rather than boroughwide figures? Locality data does exist which can be examined in more detail.
- Link between areas with population growth (Dinting and Chinley) and access to rail stations. Public transport throughout High Peak needs to be improved to enable young people to access education and jobs
- Importance of specific industries in the area to provide well paid jobs. There is a correlation between productivity and salaries and there is a need to look at how to attract particular types of businesses and how support businesses to expand
- Statistics around how Buxton compares to other places in terms of diversity were requested – some employers look for diversity
- Importance of access to micro clusters and creative activities in terms of boosting mental health
- Reform to the planning process to enable more affordable housing to be built in rural areas
- Business support grants – there is a fund through the UKSPF around the supporting skills agenda to support people at different levels – work is required to examine challenges and understand the breakdown of where jobs are
- Impact on education – this is a county function which can be influenced – need to understand the business opportunities for growth and expansion in the future and opportunities around re-training

RESOLVED:

That the presentation be welcomed, and the matters raised be taken into consideration as part of the review of the Growth Strategy.

**24/48 ANY QUESTIONS REFERRED TO THE EXECUTIVE MEMBER (MEMBER SERVICES TO BE ADVISED OF ANY QUESTIONS AT LEAST 4 DAYS PRIOR TO THE MEETING)**

(Agenda Item 7)

None

**24/49 EXCLUSION OF PRESS AND PUBLIC**

(Agenda Item 8)

RESOLVED:

That the press and public be excluded from the meeting during consideration of the following item of business as there may be disclosure of exempt information as defined in Part I of Schedule 12A to the Local Government Act 1972

**24/50 REVITALISING BUXTON**

(Agenda Item 9)

The Committee received an update around the Revitalising Buxton project.

The meeting concluded at 8.32 pm

**CHAIRMAN**
