## **7 Background and Introduction**

- 7.1 As a borough council, High Peak Borough Council is responsible for the billing and collection of all council tax due from local taxpayers. This means that the Council has to collect council tax to cover not only its own services but also the precepts set by other authorities. The Council Tax levied is therefore made up of six elements:
- High Peak Borough Council element
  - Parish precepts
  - Derbyshire County Council precept
  - Police & Crime Commissioner for Derbyshire precept
  - Derbyshire Fire & Rescue Authority precept
- 7.2 The setting of the council tax follows a prescribed timetable. The process commences with the setting of the tax base in November, and ends with the formal setting of the Council Tax, which has to be completed by no later than 11th March.
- 7.3 The procedure has to adhere to the requirements of the Local Government Finance Act 1992 (as amended by the Localism Act 2011) and the level of council tax is directly related to the net expenditure of the Council after deducting income from central government grant and other sources of income. Council resolutions also have to adhere to the requirements of legislation and recommendations are therefore written in formal language.

## **8 Council Tax Base & Collection Fund Surplus**

- 8.1 The council tax base for the year 2018/19 is 30,210. A breakdown of the calculation by parish can be seen in column 1 of Appendix A.
- 8.2 After taking into account previous re-distributions, the Collection Fund for Council Tax is predicted to have a surplus at 31st March 2018 of £253,040. The surplus is shared amongst the major precepting authorities i.e. Derbyshire County Council, Police & Crime Commissioner for Derbyshire, Derbyshire Fire & Rescue Authority and this Council. The redistribution is made in proportion to the level of each authority's precept for the year. This Council's share of the surplus is £30,370.

## **9 High Peak Borough Council Tax**

- 9.1 On 16th February 2018, the Executive recommended a Borough council tax increase of 2.9%. This involved setting a General Fund Budget of £10,427,240

9.2 The amount of council tax that the Borough Council is to levy is:

	<b>TOTAL</b>
	£
Total Budget	10,427,240
Less Contribution from Balances / Reserves	(1,811,090)
Less Council Tax Collection Fund Surplus (HPBC Share)	(30,370)
Less Business Rates Collection Fund Deficit (HPBC Share)	1,067,440
<b>Net Expenditure to be financed</b>	<b>9,653,220</b>
Less Business Rates Retention	(3,491,470)
Less External Financing	(531,810)
<b>Total Requirement from Borough council tax</b>	<b>5,629,940</b>

9.3 The Band D Council Tax is therefore £186.36 (The total requirement from Borough Council Tax divided by the tax base of 30,210). This represents an increase of £5.25 (2.9%) on last year.

## 10 Parish Council Precepts

10.1 Each parish has notified the Council with its precept requirement for the year. The total required by parishes is £579,937.39, which produces an average Band D Council Tax of £19.20. The actual amount levied will vary from parish to parish. A detailed breakdown of the precept requirements and the band D charge for each parish can be seen in columns 2 and 3 of Appendix A.

## 11 Derbyshire County Council Precepts

11.1 The precept demand issued by Derbyshire County Council is £38,430,720 which produces a Band D council tax of £1,272.12. This represents an increase of £60.46 (4.99%) when compared to the level of tax levied in 2017/18. This increase is made up of £24.23 (2.0%) in respect of Adult Social Care and £36.23 (2.99%) in respect of general Council Tax.

## 12 Office of the Police & Crime Commissioner for Derbyshire Precept

12.1 In December 2017 the Government announced that in 2018/19 Police and Crime Commissioners would be able to raise their precept by up to £12. In line with this, the precept demand issued by Police & Crime Commissioner for Derbyshire is £5,818,446 which produces a Band D council tax of £192.60.

This represents an increase of £12.00 (6.64%) when compared to the level of tax levied in 2017/18.

### **13 Derbyshire Fire and Rescue Authority Precept**

- 13.1 The Derbyshire Fire and Rescue Authority precept demand is £2,257,895 which produces a Band D council tax of £74.74. This represents an increase of £2.16 (2.98%) when compared with the level of precept for 2017/18.
